LAKEWOOD ANNEX

Lakewood to Attempt Annexation

City Seeks 1,870
Acres Sought
by Long Beach

LAKEWOOD — The City Council Tuesday night voted to proceed with annexation attempts that would include an 1,870 acre tract of inhabited and uninhabited territory east of the San Gabriel River for which it has been competing with the city of Long Beach. The tract is nearly half the present size of the city of Lakewood.

The action follows a ruling by Judge John McCarthy, of the Long Beach Superior Court, Monday that Lakewood's annexation of a 226 acre uninhabited portion of the 1,870 acres had a prior right.

The Lakewood council voted Tuesday to proceed with its annexation of the 226 acres with second reading on the ordinance scheduled for next Tuesday night.

At the same time, the Lakewood council voted to proceed with an attempt to annex the entire 1,870 acre parcel which will require an election. The property has a population of 15,000 with approximately 3,000 to 4,000 registered voters.

Boundaries Listed

It is bounded on the north by Dairy Valley, on the east by the Los Angeles County line, on the south and west by Long Beach and on the north and west by Lakewood. The uninhabited 226 acres is located in the north-west portion of the parcel.

The city's action followed meetings Tuesday by the Planning Commission and City Council.

Long Beach has been attempting to annex the 1,870 acres for the past year. The property is approximately three square miles in area.

Earlier Tuesday, Long Beach had for the second time continued a protest hearing on its annexation attempt.

Times 2-21-62 Annex OKd in Lakewood

LAKEWOOD — After getting the go sign from superior court earlier in the day, the City Council took final action to annex a 226-acre uninhabited area east of the San Gabriel River in a special meeting late Tuesday night.

The council gave final reading to an ordinance annexing the L-shaped tract that roughly parallels the river on the east and Del Amo Blvd. Legally uninhabited, with fewer than 12 voters, the area is on its way to fast development.

Construction of homes is under way in the subdivision of 221 lots.

Dear Miss Bennitt:

PROPOSED "INCREMENT NO. 20"
TO THE CITY OF LAKEWOOD

At the meeting held November 22, 1961, the County Boundary Commission reviewed the boundary description and map submitted by your Assistant City Administrator, D. R. Singer, with his letter of November 2, 1961, of the proposed annexation of territory to the City of Lakewood.

Pursuant to the request of Mr. Singer, the boundaries were revised within Lot 49 of Tract No. 24797 to avoid creating a corridor of unincorporated territory over 300 feet long and less than 200 feet wide. The boundaries conform with record lines, lines of ownership, city boundaries and proposed street widenings except within Lot 49 of Tract No. 24797. An island of unincorporated territory is created by the boundaries of this proposed annexation and the City of Dairy Valley.

"Increment 174" to the City of Long Beach, which was approved by the Commission on May 3, 1961, is overlapped by this proposed annexation.

The proposed annexation is separated from the existing City of Lakewood by a 100-foot strip of the City of Long Beach (annexed January 5, 1924). However, it is contiguous to the City of Lakewood under the terms of Section 35002.5 of the Government Code.

Miss Jo Bennitt

November 22, 1961

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG
